

LICENSE, DEVELOPMENT AND COMMERCIALIZATION AGREEMENT

This License, Development and Commercialization Agreement is entered into by Alpha Therapeutics Ltd. and Beta Pharma Inc.

1. LICENSE GRANT

Alpha grants Beta an exclusive, irrevocable and perpetual license to use, develop, manufacture and commercialize the licensed products and related patents in the Territory.

2. COMMERCIALIZATION

Beta shall be responsible for the development, clinical studies, commercialization and promotion of the products in the Territory. Beta shall use commercially reasonable efforts to achieve the agreed development and commercialization milestones.

3. ROYALTIES AND NET SALES

Beta shall pay royalties calculated as a percentage of net sales of the licensed products. Additional milestone payments shall become due upon achievement of specified regulatory and commercial milestones.

4. INTELLECTUAL PROPERTY

Certain intellectual property and improvements developed during the term shall be assigned to Alpha or jointly owned by the parties as specified in this Agreement. The parties shall cooperate regarding patent prosecution and enforcement.

5. EXCLUSIVITY

During the applicable term, Beta shall maintain exclusivity for the licensed products within the Territory and shall not commercialize competing products covered by the agreed restrictions.

6. LIABILITY AND DAMAGES

The parties agree to specified liability limitations and liquidated damages for certain breaches of the Agreement.

7. MINIMUM COMMITMENT

Beta shall meet the minimum purchase and commercialization commitments specified in the applicable schedules.

8. TERMINATION

Either party may terminate this Agreement for specified material breaches, subject to applicable notice periods and post-termination obligations.
